

Campaña de Servicio para GEELY EX5

Actualización de software OTA (Wi-Fi)

Les informamos que, a partir del **22 de enero de 2026**, estará disponible una **nueva actualización de software** para el modelo **Geely EX5**.

A continuación, se detallan las mejoras incluidas en esta actualización:

1. Incorporación de **Android Auto**.
2. El **Sistema de Alerta Acústica del Vehículo (AVAS)** ahora ofrece **tres opciones de sonido**.
3. Incorporación de un **botón de acceso directo de un solo toque** para ajustes rápidos.
4. Incorporación de la función de **apertura, cierre y pausa de la tapa de baúl** desde el menú superior desplegable.
5. Nuevo **recordatorio auditivo** al cambiar el modo de manejo.
6. **Optimización general** de otras funciones del sistema de infoentretenimiento del vehículo.

Se recomienda realizar la descarga **mediante conexión Wi-Fi**, para garantizar una actualización estable.
